Professional Summary

As an enthusiastic and detail-oriented web designer, I possess a solid foundation in HTML, CSS, JavaScript, and responsive web design principles. I've recently completed my training with a focus on creating user-friendly and aesthetically pleasing websites. My portfolio showcases a range of personal and academic projects that highlight my ability to design and develop functional, visually appealing web pages. I thrive in creative environments and am eager to contribute my skills to a dynamic team.

Technical Skills

- **DevOps Tools:** Git, GitHub
- **Web-Development:** HTML5, CSS3, Bootstrap, React JS, Angular JS & WordPress.
- **UI/UX Designing:** Figma: Designing & Prototyping.
- **Programming Languages:** JavaScript, Core Java.
- **Testing:** Selenium: Web-Driver.
- **Project-Management:** JIRA.
- **IDE:** Visual Studio Code & Eclipse IDE.

Professional Experience

Intern – Web Designer (Front-end Development & UI/UX Designing)

November 2024 – Present

Magic Bus India Foundation– Medavakkam, Chennai

As a Web Design Intern, I gained hands-on experience in front-end development and UI/UX design. I started with foundational skills like HTML, CSS, JavaScript and React JS to build responsive web pages. During my internship, I applied these skills to create clean, accessible layouts and enhance user experience.

Other Experiences

Freelance – Digital Film Promotions and Influencing.

May 2021 – Aug 2024

Gained Hands-on experience in developing and executing social media campaigns, content creation, and utilizing analytics to drive online engagement. Experienced in collaborating with influencers and running interactive campaigns to boost film visibility. Social Media Management: Facebook, Instagram, Twitter. Graphic Design & Content Creation.

Analytics: Facebook Insights, Instagram Analytics.

Collaboration: Working with influencers.

Campaign Strategies: Planning and executing campaigns.

Trend Analysis: Keeping up with trends.
